 Probate Code § 2620(c), Local Rule 7112

NOTICE TO PETITIONER

All original documents submitted by fiduciaries in support of their inventory and appraisals or accountings as required by Local Rule 7129 or Probate Code 2620(c), including financial account statements, original closing escrow statements, and original residential care facility or long-term care facility bills must be lodged separately from the inventory and appraisal or accounting as a confidential document complying with California Rules of Court, Rule 2.100 et seq. To facilitate scanning, the document must be loosely bound and not stapled. The caption page for the document must include a statement regarding the total number of pages (including the cover sheet) submitted and a declaration by the fiduciary under penalty of perjury stating the documents attached are the originals. To facilitate return of the original document, the fiduciary must submit, at the time of filing, a self-addressed envelope with sufficient postage for mailing the documents or an attorney service pick up slip. Documents scanned by the Court shall constitute the Court's permanent record of such documents. After the documents are scanned, the Clerk is authorized to return the documents to the fiduciary. The court will retain the documents in electronic form only. The fiduciary must retain the originals until the order approving the final account is final. (Local Rule 7112)

To facilitate return of the original document, the fiduciary must submit, at the time of filing, a self-addressed envelope with sufficient postage for mailing the documents or an attorney service pick up slip.
