6. If the matter is not resolved or closed after preliminary review, the complaint will be investigated by a Deputy Executive Officer. The Deputy Executive Officer will issue a final decision as to what action, if any, will be taken and complainant will be notified in writing.

7. All complaint procedures and proceedings must be designed and conducted in a manner that preserves the confidentiality of mediation communications. The following procedures shall be followed when informing the Court of the interests of a dependent child:

- A. At any time during a dependency proceeding, any interested person may notify the court that the minor who is the subject of the proceeding may have an interest or right which needs to be protected or pursued in another judicial or administrative forum. If counsel for the minor becomes aware of such interest or right, he or she shall so notify the court as soon as it is reasonably possible for counsel to do so.
- B. Notice to the court may be given by the filing of Judicial Council form JV-180. The person giving notice shall set forth the nature of the interest or right which needs to be protected or pursued, the name and address, if known, of the administrative agency or judicial forum in which the right or interest may be affected and the nature of the proceedings being contemplated or conducted there.
- C. If the person filing the notice is the counsel for the minor, the motion shall state what action on the child's behalf the counsel believes is necessary, whether the counsel is willing or able to pursue the matter on the child's behalf, whether the association of counsel specializing in practice before that agency or court may be necessary or appropriate, whether the appointment of a guardian ad litem may be necessary to initiate or pursue the proposed action, whether joinder of an administrative agency to the juvenile court proceedings pursuant to Welfare and Institutions Code § 362 may be appropriate or necessary to protect or pursue the child's interests and whether further investigation may be necessary.
- D. If the person filing the notice is not the counsel for the child, a copy of the notice shall be served on the counsel for the child, or, if the child is unrepresented, the notice shall so state.
- E. The court may set a hearing on the notice if the court deems it necessary in order to determine the nature of the child's right or interest or whether said interest should be protected or pursued.
- F. If the court determines that further action on behalf of the child is required, the court shall address the following at the hearing:
 - (1) Authorize the minor's counsel to pursue the matter on the child's behalf;
 - (2) Appoint a counsel for the child if the child is unrepresented;

(3) Notice a joinder hearing pursuant to Welfare and Institutions Code § 362 compelling the responsible agency to report to the court with respect to whether it has carried out its statutory duties with respect to the child;

(4) Appoint a guardian ad litem for the child for the purposes of initiating or pursuing appropriate action in the other forum(s);

(5) Take any other action the court may deem necessary or appropriate to protect the welfare, interests and rights of the child.
