**PUBLIC WILL NO LONGER BE CHARGED CONVENIENCE FEES ON INTERNET
PAYMENTS**

The Superior Court of California, County of Riverside is pleased to announce that effective January 1, 2008, customers opting to pay traffic citations online will no longer be charged convenience fees for making such payments.

Epay-it is a service operated by ISD Corporation in conjunction with the Superior Court and has provided a convenient alternative for the payment of traffic citations received in the County of Riverside since 2002. Previously, a convenience fee of \$6.95 and 3.75% of the citation fee was charged to the customer's credit card, in addition to the citation amount. The Court anticipates that the elimination of the fees will serve as an inducement to the County's citizens to take advantage of the convenience that online payments provide, as well as promoting access to justice. The Epay-it system can be accessed on the Court's Internet site at <http://riverside.courts.ca.gov/epayit.htm> .
