Petition Granted. (Copy of petition attached)

Pursuant to Penal Code § 851.91, the record of arrest is sealed as to Petitioner, the arrest is deemed not to have occurred, Petitioner may answer any question relating to the sealed arrest accordingly, and Petitioner is released from all penalties and disabilities resulting from any arrest, except as provided in Penal Code § 851.92 and except as follows:

- The sealed arrest may be pleaded and proved in any subsequent prosecution of Petitioner for any other offense, and shall have the same effect as if it had not been sealed.
- This sealing of the arrest does not relieve Petitioner of the obligation to disclose the arrest, if otherwise required by law, in response to any direct question contained in a questionnaire or application for public office, for employment as a peace officer, for licensure by any state or local agency, or for contracting with the California State Lottery Commission.
- This sealing of the arrest does not affect Petitioner's authorization to own, possess, or have in his or her custody or control any firearm, or his or her susceptibility to conviction under Chapter 2 (commencing with § 29800) of Division 9 of Title 4 of Part 6 of the Penal Code, if the arrest would otherwise affect this authorization or susceptibility.
- This sealing of the arrest does not affect any prohibition from holding public office that would otherwise apply under law as a result of the arrest.
