

CIVIL ASSESSMENT FOR FAILURE TO APPEAR OR FAILURE TO PAY

Instruction and Information Sheet

INSTRUCTIONS: Complete this Request Form (Form # RI-OTS38) in order to ask the court to address your civil assessment. You must attach supporting documentation and take care of all original violations with which you were charged (For example, pay the ticket in full, set up payment arrangements, submit proof of correction or schedule a court trial). For information regarding all available options, visit our website at www.riverside.courts.ca.gov. See step 2 below for filing instructions.

NOTE: A separate Request to Address Civil Assessment must be filed for each case/citation.

Information about Civil Assessments:

What is a Civil Assessment? A civil assessment of up to \$100 may be imposed on anyone charged with a traffic, misdemeanor or felony offense who (after notice) fails to appear and/or fails to pay a court ordered fine by the due date.

How is the Civil Assessment imposed? If you failed to appear on or before your court date or failed to pay a fine by the due date, a warning notice will be mailed to your last known address. If mailed, there is a presumption that the notice has been received. There is no requirement that the court prove that you actually received the notice, only that it was mailed.

Is there a grace period? If you respond within the 20-day time frame shown on the warning notice and show good cause for not appearing or paying on the date you were supposed to appear or pay, the court may vacate the assessment.

What are the consequences of a Civil Assessment for a failure to appear? The court will notify the DMV and the DMV may place a hold or suspend your driving privileges until the civil assessment is cleared with the court.

NOTE: If your civil assessment is for a failure to pay, you will be required to pay the fine in full, including the civil assessment amount. The court may refer your case to collections, which may result in wage garnishment, tax interception and negative credit reporting.

What if I have moved? The Court is under no obligation to try to find your current address. You have an obligation to notify the court while the case is still open of any change of address. Please check the box on Form # RI-OTS38 if your address has changed.

Can there be more than one Civil Assessment added to my case? Yes. It is possible to have a civil assessment added for each failure to appear or failure to pay. A separate warning notice is required to be sent for each assessment.

What is Good Cause? Good cause is a sufficient reason that is beyond your control, (e.g. medical emergency, military orders, incarceration, etc.), which prevented you from making an appearance or payment on or before the due date listed on your citation (ticket) and a demonstration that you attempted to resolve the matter as soon as possible after that date. Good Cause is determined on a case-by-case basis.
