**SUPERIOR COURT OF CALIFORNIA
COUNTY OF RIVERSIDE**

NOTICE

**NEW CASE MANAGEMENT SYSTEM FOR CRIMINAL &
TRAFFIC CASES**

Effective January 21, 2025, the Criminal and Traffic Divisions with the Riverside Superior Court will launch the use of a new case management system called eCourt[®]. The new system will provide efficiencies for staff and enhance the court's ability to maintain complete and easily accessible records. Information about existing cases will be converted from the current legacy system to the new system in order maintain the continuity of court records.

Please be advised that the transition to the new case management system will begin on Friday, January 17, 2025. Due to this transition, we ask that all criminal and traffic filings, documents, and payments be submitted to the clerk's office no later than Noon on Friday, January 17, 2025. Criminal and traffic filings, documents, and payments submitted after Noon will be processed on Tuesday, January 21, 2025. Automated systems connected to the case management system will not be accessible during the transition such as MyCitations, IVR, ePayIt, and Riverside Public Access.

For more information about the court's new case management system, please contact our Criminal & Traffic Director via [email](#).
