In all actions and special proceedings in which the alleged cause of action occurred or the subject matter of the action is located in the geographical area of the Western Region, Mid County Region or Desert Region of the Riverside County Superior Court, the documents initiating the action or special proceeding shall be filed in the relevant region at the court facility as designated in the Administrative Order – Where to File Probate Documents. Persons intending to appear remotely shall notify all opposing parties of their intention before the hearing. That notice may be given informally, including by telephone, email, or text message. No advance notice to the court of the intention to appear remotely is required prior to the date of the hearing.

If for any reason the court denies the request to allow a remote appearance, the hearing shall be continued to a date at which the parties will be ordered to appear in person.

This rule shall be in effect until January 1, 2027.
