

What are Probate Notes?

Probate notes provide a brief summary of your matter along with any errors and/or deficiencies regarding the paperwork you filed for an upcoming hearing. Probate notes also provide questions, statements, and suggestions primarily directed to the Judge to assist him/her during the review of your matter. The notes include the names of the parties, case number, type of hearing, and name of examiner.

The Court's Probate Examiner reviews your case and prepares the probate notes. The notes are available approximately 10 days prior to your scheduled hearing ([Local Rule 7106](#)) and are available for viewing online at:

After reading the Probate Notes, it is your responsibility to correct the errors/deficiencies to the best of your ability. If you do not make the corrections, your matter may be continued until all corrections are made. Please note, [Local Rule 7109](#) provides that any matter continued two (2) times may be ordered off calendar or denied.

As provided by [Local Rule 7101](#) any corrections/supplements made, must be submitted to the court (4) court days prior to the scheduled hearing.

If you have questions regarding the content of the probate notes, you can e-mail the probate examiner at probate.examiners@riverside.courts.ca.gov. E-mail is checked daily and you should receive a response within 24 hours.
